Build a best-in-class commerce experience

Mix and match features to create a shopping experience that's entirely your own and evolves as fast
as you.

Sell faster with Live Shopping

Showcase products, connect with
buyers, and run fast paced auctions all
in real time.

Scale larger as a marketplace

Invite multiple sellers to list items and host lives on your platform — earn commission fees on sold items.

Get closer to your community with Group Chats

Bring your audience into the conversation with hosted group chat channels and exclusive drops.

Multiple listing options

Utilize selling formats including auctions, custom invoices, giveaways, and offers.

Your vision, your brand

Build your business as your own brand with your own custom domain.

Simple shipping solutions

Use built-in shipping options and fulfillment that make managing orders easy.

Secure payments, guaranteed

Protect every transaction with built-in payment protection for you and your customers.

FAQ

How is District different than other store builders?
