

ЗАКЛЮЧЕНИЕ
по результатам рассмотрения ☒ возражения ☐ заявления

Коллегия в порядке, установленном частью четвертой Гражданского кодекса Российской Федерации (далее – Кодекс) и Правилами подачи возражений и заявлений и их рассмотрения в Палате по патентным спорам, утвержденными приказом Роспатента от 22.04.2003 № 56, зарегистрированным в Министерстве юстиции Российской Федерации 08.05.2003 № 4520 (далее – Правила ППС), рассмотрела возражение, поступившее 13.11.2018, поданное компанией «Медиа Парфюмс С.р.л.», Италия (далее – заявитель), на решение Федеральной службы по интеллектуальной собственности об отказе в предоставлении правовой охраны на территории Российской Федерации знаку по международной регистрации №1341859 (далее – решение Роспатента), при этом установлено следующее.

Международная регистрация знака «PIKENZ THE FIRST» с конвенционным приоритетом от 05.08.2016 была произведена Международным бюро Всемирной организации интеллектуальной собственности (далее – МБ ВОИС) 21.10.2016 за №1341859 со сроком действия 10 лет в отношении товаров 03 класса МКТУ на имя «Media Parfums S.r.l.», Италия (далее – заявитель).

Роспатентом 21.08.2018 принято решение об отказе в предоставлении правовой охраны на территории Российской Федерации знаку по международной регистрации №1341859 в отношении всех товаров 03 класса МКТУ (далее – решение Роспатента). В предварительном решении от 05.12.2017 было указано, что знак по международной регистрации №1341859 не соответствует требованиям пункта 6 статьи 1483 Кодекса, а также пункта 3 статьи 1497 Кодекса. Указанное обосновывается тем, что знак по международной регистрации №1341859 сходен до степени смешения со:

PIKENZ
The First

- знаком по международной регистрации №514761 с приоритетом от 26.06.1987, правовая охрана которому предоставлена на имя

компании «PIKENZ THE FIRST AKTIENGESELLSCHAFT», Лихтенштейн, в отношении однородных товаров 03 класса МКТУ (1);

- знаком по международной регистрации №620481 с приоритетом от 05.05.1994, правовая охрана которому предоставлена на имя компании «PIKENZ THE FIRST AKTIENGESELLSCHAFT», Лихтенштейн, в отношении однородных товаров 03 класса МКТУ (2).

Кроме того, указывалось на то, что в перечне знака по международной регистрации №1341859 содержатся повторяющиеся позиции товаров 03 класса МКТУ.

В поступившем возражении заявитель выразил свое несогласие с решением Роспатента, при этом доводы возражения сводятся к следующему:

- в отношении знака по международной регистрации №514761 не было осуществлено продление срока его действия. Сведения о прекращении охраны товарного знака внесены в международный реестр 06 января 2018 года и опубликованы ВОИС 18 января 2018 года. На данном основании данная регистрация товарного знака не может являться препятствием для предоставления правовой охраны товарному знаку по международной регистрации № 1341859;

- противопоставленный знак (2) был отчужден заявителю, в связи с чем он также не является препятствием для предоставления правовой охраны знаку по международной регистрации №1341859;

- заявитель просит ограничить перечень товаров 03 класса МКТУ, исключив из него следующие повторяющиеся позиции: «hair preparations and treatments; food flavorings [essential oils]; cake flavorings [essential oils]; non-medicated lotions; skin conditioners; bath foam; sun protecting creams [cosmetics]; body oils [for cosmetic use]; hair care lotions; eye-lashes (false -); mouthwashes, not for medical purposes; eye make-up; anti-wrinkle cream; hand creams; non-medicated cleansing creams; face creams for cosmetic use; hair bleaching preparations; depilatories; detergents for household use; toilet bowl detergents; spray cleaners for household use; scale removing preparations for household purposes; dishwashing detergents; detergents for automobiles; make-up removing milks; cleansing milk for toilet purposes; hair spray; shaving gel; styling gels; sun-tanning gels; cosmetic sun- protecting preparations;

windshield cleaning liquids; suncare lotions; cosmetic facial lotions; baby lotions; lip gloss; polishing preparations; boot cream; oils for cosmetic purposes; non-medicated bath oils; essential oils; eye pencils; make-up preparations; skin whitening creams; paint removers; false nails; sunscreen preparations; sun blocking preparations [cosmetics]; bath preparations, not formed-ical purposes; make-up removing preparations; hair straightening preparations; hair waving preparations; tooth cleaning preparations; shampoo; adhesive removers; air fragrancing preparations; rust removers; skin cleansers [cosmetic]; shampoos for pets; nail polish; nail polish remover; nail varnish remover [cosmetics]; refurbishing preparations; eye make up remover».

В подтверждение изложенных доводов с возражением, поступившим 13.11.2018 заявителем представлены следующие материалы:

1. Копия решения Федеральной службы по интеллектуальной собственности по международной регистрации № 1341859 от 21 августа 2018 года;
2. Копия предварительного отказа Федеральной службы по интеллектуальной собственности по международной регистрации № 1341859 от 05 декабря 2017 года;
3. Сведения о знаке по международной регистрации № 620481.

На основании вышеизложенного заявитель просит отменить решение Роспатента и предоставить правовую охрану на территории Российской Федерации знаку по международной регистрации №1341859 в отношении следующего перечня товаров 03 класса МКТУ: «anti-smear agents for cleaning purposes; washing conservation agents; washing agents for textiles; hair preparations and treatments; stain removing agents; cleaning agents for the hands; ammonia [volatile alkali] [detergent]; skin texturizers; seaweed for cosmetology; aloe vera preparations for cosmetic purposes; amber [perfume]; ammonia for cleaning purposes; fabric softeners; antiperspirants [toilettries]; antiperspirants for personal use; canned pressurized air for cleaning and dusting purposes; food flavorings [essential oils]; aromatics for fragrances; cake flavorings [essential oils]; flavourings for beverages [essential oils]; food flavorings prepared from essential oils; aromatics; aromatics for perfumes; non-medicated lotions; aftershave balms; nail conditioners; lip conditioners; conditioning preparations for the hair; skin conditioners; skin balms (non-medicated -); bath foam; hair moisturising conditioners; conditioners in the form of sprays for the scalp; astringents for cosmetic purposes; oil baths for hair care; shaving balm; conditioning balsam; cotton balls for cosmetic purposes; cotton sticks for cosmetic purposes; sun protecting creams [cosmetics]; cocoa butter for cosmetic purposes; body oils [for cosmetic use];

skin toners; hair tonic; scalp treatments (non-medicated -); hair permanent treatments; make-up; dyes (cosmetic-)».

Изучив материалы дела и заслушав присутствующих на заседании коллегии, коллегия установила следующее.

С учетом даты конвенционного приоритета знака по международной регистрации №1341859 (05.08.2016) правовая база для оценки его охраноспособности включает в себя упомянутый выше Кодекс и Правила составления, подачи и рассмотрения документов, являющихся основанием для совершения юридически значимых действий по государственной регистрации товарных знаков, знаков обслуживания, коллективных знаков, утвержденные приказом Министерства экономического развития Российской Федерации от 20.07.2015 № 482 (зарегистрировано в Министерстве юстиции Российской Федерации 18.08.2015, регистрационный № 38572), вступившие в силу 31.08.2015 (далее – Правила).

В соответствии с подпунктом 2 пункта 6 статьи 1483 Кодекса не могут быть зарегистрированы в качестве товарных знаков обозначения, тождественные или сходные до степени смешения с товарными знаками других лиц, охраняемыми в Российской Федерации, в том числе в соответствии с международным договором Российской Федерации, в отношении однородных товаров и имеющими более ранний приоритет.

В соответствии с пунктом 41 Правил обозначение считается сходным до степени смешения с другим обозначением (товарным знаком), если оно ассоциируется с ним в целом, несмотря на их отдельные отличия.

Исходя из положений пункта 42 Правил сходство словесных обозначений оценивается по звуковым (фонетическим), графическим (визуальным) и смысловым (семантическим) признакам.

Признаки, указанные в пункте 42 Правил, учитываются как каждый в отдельности, так и в различных сочетаниях.

В соответствии с пунктом 45 Правил при установлении однородности товаров определяется принципиальная возможность возникновения у потребителя представления о принадлежности этих товаров одному изготовителю. При этом принимаются во внимание род, вид товаров, их потребительские свойства, функциональное назначение, вид материала, из которого они изготовлены, взаимодополняемость либо взаимозаменяемость

товаров, условия и каналы их реализации (общее место продажи, продажа через розничную либо оптовую сеть), круг потребителей и другие признаки. Вывод об однородности товаров делается по результатам анализа перечисленных признаков в их совокупности в том случае, если товары или услуги по причине их природы или назначения могут быть отнесены потребителями к одному и тому же источнику происхождения (изготовителю).

Согласно пункту 3 статьи 1497 Кодекса изменение в заявке на товарный знак сведений о заявителе, в том числе в случае передачи или перехода права на регистрацию товарного знака либо вследствие изменения наименования или имени заявителя, а также исправление в документах заявки очевидных и технических ошибок может быть внесено до государственной регистрации товарного знака (статья 1503) или до принятия решения об отказе в его государственной регистрации.

Знак «PIKENZ THE FIRST» по международной регистрации №1341859 является словесным и выполнен стандартным шрифтом заглавными буквами латинского алфавита. Предоставление правовой охраны на территории Российской Федерации знаку по международной регистрации №1341859 испрашивается в отношении ограниченного перечня товаров 03 класса МКТУ, причем согласно материалам возражения, из перечня товаров 03 класса МКТУ были исключены повторяющиеся позиции.

Знаку по международной регистрации №1341859 было отказано в предоставлении правовой охраны на территории Российской Федерации на основании пункта 6 статьи 1483 Кодекса, как являющегося сходным до степени смешения со знаками по международным регистрациям №620481 и №514761.

Срок действия знака по международной регистрации №514761 истек 26.06.2017. Указанное свидетельствует о том, что данная международная регистрация не может являться препятствием для предоставления правовой охраны товарному знаку по международной регистрации № 1341859 в отношении всех товаров 03 класса МКТУ.

Кроме того, коллегией было учтено, что согласно сведениям МБ ВОИС (см. <https://www.wipo.int/madrid/monitor/en/#>) в настоящее время правообладателем противопоставленного знака по международной регистрации №620481 является компания «MEDIA PARFUMS S.R.L.», Италия, то есть заявитель. Таким образом, противопоставленный знак (2) также не является более препятствием для предоставления

правовой охраны знаку по международной регистрации №1341859 в отношении товаров 03 класса МКТУ.

Следовательно, знак по международной регистрации №1341859 соответствует требованиям пункта 6 статьи 1483 Кодекса.

В соответствии с вышеизложенным, коллегия пришла к выводу о наличии оснований для принятия Роспатентом следующего решения:

удовлетворить возражение, поступившее 13.11.2018, отменить решение Роспатента от 21.08.2018, предоставить правовую охрану на территории Российской Федерации знаку по международной регистрации №1341859 в отношении товаров 03 класса МКТУ «anti-smear agents for cleaning purposes; washing conservation agents; washing agents for textiles; hair preparations and treatments; stain removing agents; cleaning agents for the hands; ammonia [volatile alkali] [detergent]; skin texturizers; seaweed for cosmetology; aloe vera preparations for cosmetic purposes; amber [perfume]; ammonia for cleaning purposes; fabric softeners; antiperspirants [toiletries]; antiperspirants for personal use; canned pressurized air for cleaning and dusting purposes; food flavorings [essential oils]; aromatics for fragrances; cake flavorings [essential oils]; flavourings for beverages [essential oils]; food flavorings prepared from essential oils; aromatics; aromatics for perfumes; non-medicated lotions; aftershave balms; nail conditioners; lip conditioners; conditioning preparations for the hair; skin conditioners; skin balms (non-medicated -); bath foam; hair moisturising conditioners; conditioners in the form of sprays for the scalp; astringents for cosmetic purposes; oil baths for hair care; shaving balm; conditioning balsam; cotton balls for cosmetic purposes; cotton sticks for cosmetic purposes; sun protecting creams [cosmetics]; cocoa butter for cosmetic purposes; body oils [for cosmetic use]; javelle water; hair care lotions; tints for the hair; abrasive paper; patches containing sun screen and sun block for use on the skin; polish for furniture and flooring; wax (depilatory -); hair styling waxes; floor polish; hair wax; powder for make-up; creamy face powder; cosmetic white face powder; pressed face powder; eyelashes (false -); eyelashes; cosmetic face powders; slimming aids [cosmetic], other than for medical use; mouthwashes, not for medical purposes; hair dye; mouthwash; cheek colors; under-eye enhancers; facial concealer; incense cones; moisturising concentrates [cosmetic]; cosmetics and cosmetic preparations; beauty care cosmetics; cosmetics for the use on the hair; eye make-up; cosmetics for use in the treatment of wrinkled skin; cosmetics for the treatment of
