THE FUTURE OF CONSTRUCTION STARTS HERE

The international exhibition Qube Expo is not just an event. It's a platform where the future of the construction industry is shaped.

Under the auspices of the Russian Ministry of Construction and NOSTROY, we have created a unique space for leaders where strategic alliances are forged, contracts are signed, and development vectors for years to come are determined

QUBE EXPO IS:

-  A global platform for showcasing achievements
-  The first exhibition with infrastructure for business development and partnerships
-  A high concentration of the target audience
-  The launch of over 50 new products and technologies
-  Your leadership in the new era of construction
